EARLIER REPORTS. CINCINNATI, June 3 .- The Commercial-

like a regular hospital.

Tribune's special from Urbana, O., says: The grand jury was empaneled today and reported at 6:30 tonight, after the examining of six witnesses, the indictment of Charles Mitchell, colored, for the criminal assault of Mrs. Eliza Gaumer, white. The court thanked the jury for its "good day's work." Then Sheriff McLean and his deputies brought Mitchell into court, dressed in a soldier's uniform. As the militia was on duty about the court house and the jail, this disguise of the prisoner worked perfectly. The crowds that were about the grounds and in the streets did not know what was going on and those who saw Mitchell en route from the jall to the court house did not recognize him. The doors to the court curred today, the Masonic fraternity and house were all guarded by the militia. Prose cuting Attorney Waite represented the state and Attorney Flaugher the prisoner. With the military about the building and the crowds outside Mitchell was badly scared. He waived the reading of the indictment, pleaded guilty and was sentenced to the extreme limit for criminal assault, of twenty CHEYENNE, Wyo., June 3 .- (Special Teleyears in the penitentiary. The hearing occupied only a few moments. The court ordered the sheriff to take the prisoner to

Columbus tonight. After Mitchell was sentenced by the court and the sheriff ordered to take him to Columbus tonight, there was trouble again. It was thought that the officers might get Mitchell through the crowd disguised as a soldier, but his color prevented this plan and a carriage was driver up to the jail. Then the mob broke in and demanded the prisoner. The jail was strongly guarded by the militia and the sheriff felt secure so long as he did not venture out. The governor refused to send more troops to Urbana tonight and it looks like the prisoner cannot be removed till tomorrow, when reinforcements will be furnished Meantime, the local officers feel safe so long

as they remain inside the jail. The Pennsylvania depot was surrounded by a mob as well as the court house and the jail. As no train for Columbus with leave now till morning, the crowd about the depot has been dispersing since midnight. While crowds continue about the street, it is not likely that there will be any attack on the jail, as the people know how strongly it is guarded. The only one burt was a citisen who crossed the line near the juit and

was bayonetted in the hip. The troops do not allow the lines crossed
